A PUBLIC FORUM FOR READERS' LETTERS, COMMENTS AND SUGGESTIONS.

Anna Song, Morgan Leigh, Rukhsana, Daphne Rosen and Lily Valentine are in the top five in the voting for 2006 *SCORE* Newcomer of the Year. Anna has a narrow lead over Morgan, but with plenty of votes still to be counted, the race is wide open. We'll announce the winner in the May '07 issue.

THE 2006 *SCORE* AWARDS: IT'S TIME TO COUNT YOUR VOTES!

Dear *SCORE*,

Thanks so much for enabling us to vote on the 2006 *SCORE* Awards. It's still a very tough job to pick only one winner in each category when all of the contestants are winners. Here are my picks.

Model of the Year: Merilyn Sakova. She's had two great DVDs already. Let's hope for more.

Newcomer of the Year: Morgan Leigh. Too bad it took her so long (since the 2000 Boob Cruise) to start modeling for *SCORE*. Let's hope we see a lot more of her on video.

Hall of Fame: SaRenna Lee. I'm so sorry to see her retire. I'm sure Sharday will make it into the Hall of Fame soon, but we still hope she is not really retired.–J.Z., Edmonton, Alberta, Canada

Dear J.Z.: Thanks for voting, and thanks to all of the SCORE *readers, who are voting on the 2006* SCORE *Awards in record numbers. We'll reveal the winners next month in the May '07 issue, on sale everywhere Feb. 27th. But for now, here's a voting update. Keep in mind that we're still early in the voting period and things could change.*

Newcomer of the Year: Anna Song, Morgan Leigh, Lily Valentine, Daphne Rosen and Rukhsana have the vast majority of the votes so far, but Candy Manson is getting support, too. Anna is leading by a narrow margin over Morgan.

Model of the Year: 2005 Newcomer of the Year Merilyn Sakova is in the lead, but Crystal Gunns isn't far behind. Bea Flora, Nicole Peters and Minka are also getting a lot of support.

Hall of Fame: SaRenna Lee, in her first year of eligibility, is dominating the voting, and it looks like she'll easily clear the 30% hurdle needed to guarantee induction into the Hall of Fame. Sharday, who announced her retirement in the December '06 issue, and Alyssa Alps are also each hoping to get 30% of the vote.

Who will win? Tune in next issue for all of the results. For now, though, see what your fellow readers have had to say about the 2006 SCORE *Awards.*

2002 Newcomer of the Year Crystal Gunns (far left), Bea Flora and 2005 Newcomer of the Year Merilyn Sakova are in a heated battle for 2006 *SCORE* Model of the Year. Merilyn is in the lead, but Crystal is getting a lot of votes, and Bea just might have enough to pull off a huge upset.

SaRenna Lee looks like a lock to become the 12th member of the Big-Boob Hall of Fame.

CAN ANYONE STOP SARENNA?

Dear *SCORE*,

Newcomer of the Year: Candy Manson. Sizzling hot.

Model of the Year: Bea Flora. She's sweet as honey.

Hall of Fame: SaRenna Lee. One of the hottest and sexiest women ever.–R.H., Lafayette, Louisiana

PICKING THE BEST IS NEVER EASY

Dear *SCORE*,

As always, the annual awards issue is the one I wait for with great anticipation. Throughout the year, I tried to come up with my candidates so that when the awards issue appeared, voting would be easier. But choosing winners seemed even harder than it was in the past.

Newcomer of the Year: Morgan Leigh is my choice after serious consideration.

Model of the Year was easy. Merilyn has been my choice since she won 2005 Newcomer of the Year. She has appeared in *SCORE* numerous times and is one of the best-looking women to appear in the magazine in some time.

My Hall of Fame vote goes to Wendy Whoppers. Sharday is a close second, but she just retired, and there's still a chance of her coming out of retirement.–Mika, San Diego, California

MODEL OF THE YEAR: CRYSTAL
TOP NEWCOMER: DAPHNE ROSEN

Dear *SCORE*,

My vote for 2006 *SCORE* Model of the Year goes to Crystal Gunns. I've really enjoyed reading her column, and I also enjoyed watching her in the video *Private Stuffers*. I enjoyed seeing her pictorial in the August 2006 issue. Last year, I met her in person, and she smothered me with her nice big, juicy tits and then gave me a private lap dance.

My vote for the Big-Boob Hall of Fame goes to SaRenna Lee. I really enjoyed seeing her in *Mega-Boob Olympics* on VHS, and her pictorials are very nice and breathtaking, too.

My vote for Newcomer of the Year goes to Daphne Rosen. I really enjoyed seeing her pictorial in the Holiday '06 issue. Not only does she have beautiful tits, but she also has a beautiful ass.–V.L., Brooklyn, New York

TOP NEWCOMER: MORGAN
TOP MODEL: LINSEY DAWN

Dear *SCORE*,

Newcomer of the Year: Morgan Leigh.

Model of the Year: Linsey Dawn McKenzie, again.

Dear *SCORE*,

Newcomer of the Year: Rukhsana. I like tall girls.

Model of the Year: Cynthia Romero. An underrated star.

Hall of Fame: Lili Xene. It's nice to see an older model still competing.–J.R., Del Rio, Texas

ANNA SONG DEFINES "NEW"

Dear *SCORE*,

Anna Song for Newcomer of the Year. She defines what the word "newcomer" is all about with her fresh, young looks, and she defines what *SCORE* is all about with her slim and naturally stacked body. Her video, *Climax With Anna*, is super hot.

For Model of the Year, my vote goes to Minka, who should win every year. Hall of Fame goes to the legendary SaRenna Lee, who deserves to go in on the first ballot.–J.B., Rockville Centre, New York

HE HAS FALLEN IN LOVE WITH PRETTY, PRETTY PEGGY SUE

Dear *SCORE*,

As a long-time subscriber to both *SCORE* and *Voluptuous*, I would like to thank you for listening to all of your readers. In this way, your products (magazines and videos) keep getting better and evolving with your readers' tastes.

Since *SCORE* readers span a range of tastes, I feel it is important to keep variety for each interest. Clothed models at home are great to see on occasion, as are new models who don't show pink. Peggy Sue (Jan. '07) is a good example. She has a tremendous smile. I hope she enjoyed herself enough to come back soon for a second pictorial.

The Top 10 videos in "Scorecard" is a great idea, as is the Big-Boob Challenge in *Voluptuous* and the *SCORE* Awards. Please keep all of these features.

Regarding your request for feedback on the centerfold, I think most readers do not remove the *SCORE* Xtra section, which obscures the centerfold. Therefore, I suggest you try putting the centerfold on pages 56 and 57 and editorial matters and "Bra Shot of the Month" on pages 58 and 59. Once again, as you listen to the feedback of your readers on this change, you can determine if further adjustment is needed.–Jack, via email

Dear Jack: Peggy Sue's second pictorial can be seen in the March '07 issue of Voluptuous, *on sale now. If you can't find a copy at your local newsstand, log on to* eBoobStore.com, *where you can buy a copy, or call us, toll-free, at 1-800-421-0760. KEEP THE MODELS' CLOTHES ON, AT LEAST FOR A LITTLE WHILE

Dear *SCORE*,

I had to comment on the Holiday '06 issue. First, it is printed well. Good cover of Morgan Leigh. Her big boobs are great. She reminds me a lot of the great Wendy Whoppers.

"At Home With Angela White" was good. I like to see big boobs bulging out of tight clothes. Every shot was good.

Daphne Rosen is great. Great choice of lingerie, great angles and excellent lighting. Her layout was stunning. Her ass is beautiful, too. Wow, what a superbabe! I hope Daphne reads my letter because I would love her to know that as a *SCORE* Man, I stare at her pictures and shoot large, thick loads.

I'm certainly not suggesting that the models should have clothes on in every picture, but I do like a view of big boobs in a ridiculously tight top.

And just a quick word to lovely Crystal Gunns. Your pictures in your diary ("The Gunns Show") are great. That one of your incredible body in that microscopic bikini in the Holiday '06 issue is great.–John, Wigan, England

DENISE SHOULD TIT-FUCK MORE

Dear *SCORE*,

I was fortunate enough to obtain the video *My Boob Heaven* featuring Denise Derringer. Wow! Not only is she an absolute knockout in stills, but she is totally amazing in XXX video action! She was quite dynamic in that video.

Unfortunately, in *My Boob Heaven*, there wasn't as much of Denise titty fucking as I would have liked to see, especially for a big-boob video feature. Please bring her back in more pictorials and videos.–S.G., via email

Dear S.G.: If you want to see lots of Denise titty fucking, check out the new DVD Breast

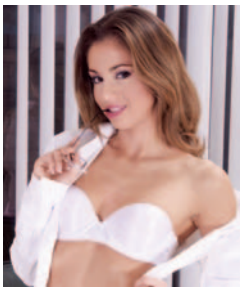
Facially, we don't think Wendy Whoppers (above) and Morgan Leigh (below) look the same, but the similarities in the slim-and-stacked bodies are startling. Take a good look. Their bodies are virtually identical!

Do you HATE Rejection by Women? Imagine, no more heartbreak, no more rejection, ever…

"The Amazing 'Natural Attraction Secrets' of a 5'7" Former Loser From Texas, That Literally Compel Beautiful, Desirable Women To *Approach You First*, Begging for a Date, No Matter Your Looks, Age or Income"



***WARNING**: When You Put These "Women Approach You Secrets" to Work You Must Be Careful Not to Attract TOO MANY Women Too Fast! Why would any sane man reveal these secrets in a **FREE Report** if they were true? Read my message below to find out…*

If you are frustrated with your relationships with women, and want to spend your time with **desirable women *who all approached you first***, this may be the most important message you ever read. Here's why:

My name is John Alanis, and I used to be a complete loser when it came to meeting women (**even ugly ones**). Whenever I saw a beautiful woman I got so scared, I literally made myself sick at the thought of approaching her. I'd walk away, wondering "what could have been" if I'd only had the "guts" to talk to her. **Maybe you've had a similar experience.** Here's what was even more frustrating: on those few occasions when I was "lucky enough" to get a "date" I never got a second one…. instead **she always told me what a "nice guy"** I was, but she "just wasn't attracted to me." And then she'd go moon over some "jerk" who cared nothing about her, and would *dump* her for her best friend at a moment's notice!

Has that happened to you? **It sucks, doesn't it?** But it gets worse… what would happen next is, one of these jerks would dump the woman I *secretly lusted after*, and she'd come crying to me, telling me what a great "friend" I was for "listening"… and she'd move to the next "jerk," crushing **my feelings** like a grape. The one time I did have a "steady girlfriend," I discovered **she was just using me for money**, even though I really didn't have much of that. She never had a problem taking what little I did have, though.

I was beginning to think I'd be "celibate for life," when an unusual thing happened that put me on the true path to "male liberation" and literally **allows me to attract any woman I want, on demand! And, I'm convinced any man can duplicate my success, no matter your looks, age, or income.**

Skeptical? I don't blame you… if you'd told me a few months ago I'd be able to compel desirable women to boldly walk up and talk to me, **I'd have called you a big, fat liar, right to your face.**

How I "Accidentally" Raised Myself From Failure to Success with Desirable Women

I've always been fascinated by psychology, and the one thing I've always had going for me is the obsessive will to learn new things. Anyways, I was at a seminar awhile back, listening to a short, fat, dumpy guy speak on the subject of advertising. What this guy had to say about what makes people "tick" was truly amazing… but what was even more amazing was the **reaction of all the women in the audience to him after he was done speaking!** They all **rushed** to him, **vying for his attention.** And these weren't ugly women…. they **were intelligent, desirable, *beautiful* businesswomen**… who all went "gaga" like little girls over this short, fat, dumpy guy! I watched him take the numbers of 3 drop-dead gorgeous women before he finally left. I had to know this guy's secret…. how could someone **that ugly** literally have hot, sexy women throw themselves at him?

The Amazing "Natural Attraction" Secrets of A Desperate Nerd From Texas!

Luckily, I was able to corner him before he left the room, and I somehow talked him into having dinner with me. As we sat down to eat, I asked him, point blank: "Look, you're not exactly the best looking guy in the world… **in fact you look sort of like a basset hound. Yet, you have hot women throwing themselves at you**… what's your secret? What do you do? And, will it work for me?"

He laughed when I said that. Then he told me something I'll never forget as long as I live: "John," he said, "I've been in advertising for a long, long time, and I've been involved in amazing research into what makes people buy things."

"The psychological processes that get people to buy are the **exact same processes that get women to become attracted to you.** I used to be a complete loser when it came to women, until I applied what I learned in my advertising career to my love life. And ever since then, the results have been phenomenal."

"The truth is, **every man is already 'naturally attractive'**… it's biologically programmed into us, much like it is with animals in nature. But, in our modern society we've gotten away from our natural instincts and are taught the opposite of what works."

"All you have to do is "switch on" the biologically programmed "attraction triggers" all women have deep inside, **then stand back and let them come to you. Looks don't matter, age doesn't matter, income doesn't matter… all those things we've been taught about 'dating' and 'romance' are just plain wrong. Stop dating, and start attracting… it's really simple."**

Most Men Do NOT Attract Women Simply Because They Were Never Taught How!

Then he told me step-by-step exactly how he attracted women, and how I could do the same. As he talked, I realized **he had truly, "cracked the code"** and that **attracting women was nothing more than a paint-by-numbers, step-by-step, brain-dead simple process.** It **works for every man** because you're already born with natural attraction that is genetically designed to "flip on" biological attraction . **It can't not work.**

Here Are A Few of These Remarkable Secrets

- **How to tap into your natural attraction to "magnetically draw" the most desirable women to you** (they'll come up and talk to you first, already "pre-disposed" to liking you…)
- The seven deadly turn-offs that will guarantee you instant failure with any woman (**if you're currently failing with women, it's because you're unconsciously broadcasting one… and probably more… of these attraction-killing turn-off's)**
- **The amazing "romance novel hero" secret** that will have **her thinking about you** (and ONLY you) even when you're not around (not one in a thousand men knows this simple secret, yet it's incredibly powerful—never be cheated on again)
- **Just looking for a "casual encounter?"** Here's how to tell (within 15 minutes) if she's open to being your **"adventure partner"** or **"special friend"** (and many more women ARE than you think) or if she's only interested in a committed relationship (this secret lets you avoid giving a woman "false expectations" so you won't "hurt" her like all those jerks out there do)

How to use a subtle "test" to discover if she's even qualified to spend time with you (this is the ultimate "turning of the tables"— women test men over and over…. now you get to test her to see if she's "good enough" for you… **and make sure she's not a stalker, gold-digger or psycho-path)**

- How to read little known female signals that let **you know she's attracted to you** (and why you must **act immediately** when you sense these, or risk losing a woman who wants you, now)
- Secrets to using your body language for **maximum "attraction effect"** (the wrong kind will **turn women off**… the right kind can have them flocking to you)
- **How to attract women by saying nothing at all!**
- Shy? **Here's how to use your "shyness"** to literally force women to chase you (they won't think you're "shy" at all, they'll think you're "mysterious" and "challenging" and wonder what it takes to get you to "open up!")
- How to "position" yourself so **multiple women compete for your attention** (never compete with other men again... now they can jealously watch women chase you, and wonder what YOUR secret is)
- How to **never be nervous or flustered** ever again when talking to women (when they approach you, it's remarkably simple to be calm, cool, and collected… you get to make the "rejection decision," not her)
- How to **never spend more than $1.84 on a "first date"** and have her thinking it was the best "date" she ever had (she'll be dying to see you again… IF you decide she's "your type," not the other way around)
- **How to create an "automatic referral system"** that *compels* your female friends to compete with each other to see **who can bring you the most women**

… and much more. Look, no matter if you want to **meet a woman for purely "physical reasons,"** or you truly, deeply want to **meet that "special woman"** to spend the rest of your life with these secrets have the power to…

SCORE Jack Aids

A GUIDE TO THE BEST IN SELF PLEASURE TECHNOLOGY!

Enhance your jacking experience with these quality products, hand-picked by The SCORE Group for your ultimate satisfaction. We know jacking, and we're sending you our best!

Want Mouth, Ass or Pussy?

Your hand was a great invention. It fits around your cock very nicely, and after it jacks you off, it doesn't ask you to cuddle or make you go to the mall. But let's face it: There are times when you need more than just your fist. And there are times when a real, live mouth, pussy or ass isn't around to get you off. Then what?

Well, you could fuck that cantaloupe that's been sitting in your refrigerator for the past few weeks. Kinda messy, though. Or you could walk down to the corner and see if that $25 hooker is hanging around. Kind of dangerous, though.

Or you could do what I did: Ring my good friend Doc Johnson and order up a few Palm Pals for those special times when my hand just isn't good enough. The Palm Pal comes in three shapes–Mouth, Pussy and Ass–and it's made from ultra-realistic material that really feels like a woman's skin.

If you're like me, you're skeptical about simulated sex parts. You've been burnt before. You've shelled out serious cash for a porn star's simulated pussy, only to get a handful of rubber shit that does nothing to get you off.

But the Palm Pal is different. It feels right. It grips your cock. Sure, it won't help you get a hard-on (you're gonna have to do that part yourself), but once you slip your cock into the Palm Pal's tight orifice, you'll feel like you're fucking the real thing. And the Palm Palm will never ask you to take your cock out and cum all over its stomach just when you're about to cum.

Best of all, the Palm Pals are only $9.95 each...a lot cheaper than the hooker on the corner or a trip to the mall. And a lot quieter, too.

Fucking young Daphne's mouth, pussy and ass would be the ultimate, but the Palm Pal is the next best thing.

Who needs women when there's Cyberskin!

There are many great things about a woman's mouth and pussy. That they can both get your cock off is at the top of most men's lists. But have you ever stopped to consider what it is about mouth and pussy that does the job?

There's the softness of a woman's lips and the way her mouth can modulate the pressure on your cock, depending on your needs. There's the warmth of her pussy, the wetness, the way it pulls you in and holds on. The way it grips your cock. The way it accommodates your rod, no matter how big your dick is, and yet feels as if it was custom-made just for you.

Until now, the only way to get that real blow job and pussy feeling was to fuck a woman's mouth and pussy. But now, there's the CyberSkin Cyber Sex Buddy, the CyberSkin Vibrating Cyber Pussy and the CyberSkin Vibrating Cyber Suck.

Go ahead. Stick it in. You just might never need a real woman again.

The Cyber Sex Buddy has succulent pussy lips that envelop your cock and tight inner walls that grip your rod. Plus, the open-ended design increases stimulation and allows space for ultra-deep thrusting. In other words, like with a real woman, you never hit cock-bottom. The Vibrating Cyber Pussy takes it one step further with a special vibrating bullet for extra sensation. Close your eyes and you'll feel like you're fucking a real chick! The Vibrating Cyber Suck re-creates a woman's mouth, with the added stimulation of the vibrating bullet.

Dare I say it? It's better than a blow job!

FROM THE MOST TRUSTED NAME IN MAIL ORDER!

LUBE TALK

We jack a lot. Every day. Two or three times a day. We're jacking pros. And if there's one thing we know, it's that a well-lubed jack is better than a dry one.

Makes sense, doesn't it? Doesn't wet pussy feel better than dry pussy?

The question is, which lube should you use. And all lubes are not the same.

Eros Bodyglide never gets sticky, so you can glide up and down your pole. Eros Light Love Bodyglide is thinner, softer and more slippery. Eros Aqua Bodyglide is water-based, so cleanup is easy.

Then there's WET's quality line of lubes, including Light (for easy cleanup), Platinum (great texture!) and Original, the time-proven choice for jacking.

Pick one, and enjoy yourself, with yourself!

BOOB BEAT

BIG BOOBS IN THE NEWS

A COLUMN BY ELLIOT JAMES

THE SCIENCE OF BOOB STIMULATION

ACTUALLY, IT AIN'T ROCKET SCIENCE, BUDDY

Boobonics is the study of the importance of nipple and breast stimulation during sex. Limited studies exist in the official medical literature, but a recent one is noteworthy.

"Nipple/Breast Stimulation and Sexual Arousal in Young Men and Women" is the title of a new paper published in the May 2006 issue of *The Journal of Sexual Medicine.* The authors provided a questionnaire to the usual suspects–university undergraduates–quizzing 148 males and 153 females ranging in age from 17 to 29 years old.

The findings: 82% of the women reported that nipple play increased their sexual arousal, and 78% said that continued nipple stimulation increased their levels of arousal once they were already sexually aroused.

Among the males, 52% said nipple stimulation increased their arousal, while about 40% said that if already aroused, more stimulation increases their excitement. Of the women, 59% reported that they routinely asked to have their nipples stimulated during sex while only 17% of men did so. The low percentage of men interested in having their nipples stimulated is because many men traditionally consider this kind of sex play either too kinky or an act performed on women only. Only 7% of women reported that nipple play caused a decrease in their sexual arousal while 25% asked their sex partner to stop stimulating their nipples during sex.

Nipple stimulation releases oxytocin, a hormone responsible for making a person feel good, loving and friendly towards the person who is touching them. It's been called the love or cuddle hormone. Oxytocin also activates the let-down reflex during breast feeding.

"Nipple stimulation could be enhancing sexual arousal via numerous different hormonal and brain neurotransmitter pathways," said one of the researchers. "The next step in this research is to try to understand the precise underlying mechanisms involved and whether they are the same for men and women. Such information would bring us a bit closer to answering the bigger question of what exactly is sexual desire and arousal."

We'll keep you posted.

Brandy Dean (February '07) can appreciate the hands-on approach.

BIGGER THAN KIWIS

New Zealand women are getting bustier, according to a survey by Fayreform, a lingerie specialist in cup sizes D through G. Fayreform sponsors "National Breast Pride Week" in New Zealand, Australia and the UK.

The company has found that the number of women with D-cups or larger has increased in the past five years. Fayreform's resident "bra-ologist" (a trademarked profession) says the reasons for the breast growth include females exercising more, the contraceptive pill and better nutrition.

"Helping women to wear their breasts best and with pride is the most satisfying part of my job," said the bra-ologist, who owns over 100 bras in her personal collection. "Women above a D-cup are becoming the norm rather than the exception. Often women shudder at the thought of being over a D-cup, but now it has become something to embrace."

The interesting results showed that 53% of women purchase lingerie that will enhance their cleavage; 33% felt bigger breasts made them more confident; 23% thought that women with bigger breasts were more sexually attractive; 31% wished they had smaller busts; and 59% felt large busts were negatively portrayed in magazines, TV, movies and newspapers.

"Big breasts are generally either associated with overweight women, women who have had breast implants or ditzy, blonde wannabe-stripper types," wrote a Kiwi lady on her survey. Damn those Hollywood studios.

Bra manufacturer Berlei reports the average bra size for Australian women has also increased. More research is needed in this field.

"Not only are women's boobs getting bigger but the number of women with a small back and a big bust is increasing," said a Berlei spokeswoman. "Some sizes are just falling off the radar. The largest cup size Berlei makes for the Australian market is G. Internationally, it is GG."

She said the change in the past few years was the most rapid in generations. No one we know is complaining about this phenomenon.

Australia's most famous big-titted babe and most well-known bra model is, of course, *SCORE* and *Voluptuous* superstar Angela White, who was last seen "Around Town" in the Holiday '06 issue of *SCORE*.

Does anyone really need to leave the house with Angela White around? Clearly not!

You should know who this flasher is, but we'll tell you anyway that she's the very succulent Cindy Cupps.

DROPPED IN A FLASH

A federal judge has ruled that a magazine that published a photo of a woman baring her knockers at a motorcycle gathering did not intrude on her privacy. The case was dismissed.

A woman sued Paisano Publications LLC, publisher of *Easyriders*, after it published the photo. But a United States District Judge ruled that the woman's showing of her breasts "cannot reasonably be said to have constituted a private act. She exposed herself at an outdoor fundraising event open to any member of the public who purchased a ticket."

Her claim that the photo presented her in a false light failed because she never claimed that the picture distorted her true appearance, only that it created the impression that she was the sort of person who would consent to posing topless, the judge ruled. He also held that her claim for appropriation of her likeness failed because her image has no commercial value.

Maryland courts have held that someone whose picture is taken in a public place at a newsworthy event does not have an appropriation claim. This gives new meaning to the term "flash photography."

DON'T BLAME STRIPPERS FOR CRIME

Strip clubs in Seattle, Washington released a study showing that their clubs don't attract crime and that there is no evidence to show that strip clubs need more police attention than other businesses. The study examined police responses over an eight-year period at three Seattle strip clubs.

A professor of communication and law and society at the University of California, Santa Barbara, conducted the study for the club's owners. Most police activities inside the clubs involved undercover vice inspections to determine whether dancers were violating rules banning them from touching patrons in a sexual manner. The study said that most of those inspections have been reduced over the last few years due to budget cuts and by shifting members of the vice unit to enforce liquor laws and investigate street prostitution.

The study also contends that the decline in inspections shows that law enforcement does not view strip club activities as a threat to public safety.

Ex-stripteaser Kerry Marie will tell you that stripping does not create crime. It just creates a party in your pants.

WITHOUT BREASTS, THERE IS NO PARADISE

Sin Tetas no hay Paraiso ("Without Breasts, There's No Paradise") is the highest-rated television soap opera in Colombia's history.

The show is about flat-chested 17-year-old Catalina, who is from a poor area. She's played by Maria Adelaida Puerta, who is told, "What matters today is having a good pair of breasts, no matter if they're made of rubber, wood or stone." She tries to prostitute herself to earn cash for a boob job but has trouble finding tricks because of her small boobs.

The show is based on a best-selling novel of the same name. Feminists and family groups have criticized the show's portrayal of women as a sexist insult produced to satisfy male fantasies instead of raising debate about Colombia's national obsession with plastic surgery. Residents in Pereira, the city where the show is based and partly filmed, protested over being singled out as a haven for drug dealers, hookers and hired killers.

"This was a way to stand up and say that the women from Pereira aren't all prostitutes," said the town's mayor.

A city spokesman said, "We will not be defined by this tele-trash! All the guys in the story are assassins and the girls sell themselves in order to augment their breasts. It is the stereotype we object to."

The show's sponsors have threatened to pull their ads. But a woman from Pereira said, "People are angry about *Sin Tetas,* but I think it's okay because it shows the reality of a lot of girls."

According to the Colombian Society of Plastic Surgeons, 50% of the 450,000 operations performed in 2005 were boob jobs. The city of Cali boasts that it has become the plastic surgery capital of Latin America.

GERMAN BOOB JOB SCAM

A German cosmetic surgeon who was cheated by several female patients has given pictures of their augmented breasts to police so they can be identified.

Dr. Michael Koenig told the German newspaper *Bild* that several women who received breast enlargement surgery did not pay him for the work and actually ran out following the surgery. One patient, "Tanja," told the doctor that she needed fresh air and left the office without paying the 8,000 Euros ($10,000 U.S.) for the boob job. *Bild* published a picture of her bigger breasts, but no one came forward to identify the woman.

SHOWER BREASTS

A new product consists of a pair of rubberized tits attached firmly to shower tiles by a suction cup. Each squeezable boob contains a compartment to fill with your favorite shampoo, soap, conditioner, shaving gel or perhaps a generous supply of jacking lubricant. Truly an extraordinary gift for the boob-lovin' man who has everything except a small-breasted wife with a temper and no sense of humor.

We would have liked it made in a bigger pair, maybe like Summer Sinn's, Minka's or Cindy Cupps' size. Unfortunately, the Shower Breasts look like D-cups at best.

Somewhere out there, someone has affixed the Shower Breasts to their shower wall at waist-height and is tit-jacking off with it. They also wouldn't look bad as a hood ornament on your car, although you'd have to take them off after you parked so they wouldn't get stolen by a fellow tit-man.

To get a pair, just go online at BoysStuff.co.uk.

That's a lotta Brown!

THAT'S DELOTTA BROWN, WHO RANKS RIGHT UP THERE WITH THE BUSTIEST *SCORE* NATURALS EVER.

"My fantasy is to be oiled up and spanked," said Delotta Brown, a sensational newcomer who will oil up her H-cup puppies in just a few pages. For now, though, feast your eyes on one of the most spectacular slim-n-stacked naturals you're ever going to see. Concentrate on her tea-cup-sized areolae, pull out your pecker, oil it up and spank your monkey!

Three things come to mind when looking at the photos on this spread. First, Delotta's mouth must have great suction ability. Those tits of hers weigh a lot (we weighed them with our own hands!) and she's still capable of executing the "look-ma-no-hands" self-sucking pose. Second, realize that in the bottom photo on the facing page, Delotta's boob is resting on her thigh! *Her thigh!* Finally, check out her areolae in the pic on this page. Delotta's are bigger than a lotta girls' tits!

Delotta is a horny girl. “I like to masturbate a lot,” she said as she brushed her hand over her ultra-pink pussy. “I like to rub my pussy on anything, and I mean anything! Put it this way: I have a lot more sex than the average girl next door.” But there’s nothing average about Delotta. “Tell me about it!” she said. “I was blessed with big tits, a big ass and a small waist. I like guys who like me and my ass and can take a titty smothering.” The line forms to the right, *SCORE* Men.

What does a wife with C-cups get her big-tit-lovin' husband for Valentine's Day?

The Perfect Gift

BY JOE MONKS

ILLUSTRATIONS BY OTIS SWEAT

Matt was bathed in sweat. His face taut, jaw clenched. Patty's pussy was like a vise. Every muscle in her snatch gripped his pole and made it hard for him to keep up his rhythm. Her enormous gazongas were pressed into his chest and were the only thing keeping him from collapsing on top of her and smothering her. Matt jackhammered, thrusting into Patty's velvety fuckhole. He grunted and felt his balls grow tighter.

Oh yeah, he thought, they were full, all right. Filled with boiling jizz he was going to shoot any second now. Pull out, that's what he would do. Tear his cock out of Patty's pussy and blow his nut all over her tits. His nut sac felt overfilled with cum, and if he didn't ejaculate soon, it'd get unbearable, the

way his balls were slapping against Patty's ass.

The phone rang. Matt ignored it. Just a few more strokes and he'd be unleashing a boiling geyser into that canyon between Patty's twin peaks. The phone rang again. Matt closed his eyes. What was the phone set on? Five rings? He was pretty sure. He had two rings left before he'd have to answer it. His right hand trembled, and his balls spasmed.

Third ring. Matt arched his hips, and a white plume of cum exploded from the head of his cock. The first volley landed on the sheets, the second and third on his thighs and belly. His right hand, still wrapped around his joint, was almost numb. The fourth ring sounded. The day Patty had left to visit her mother, he'd set it to answer on ring five. If Patty got the machine at this hour, she'd know. She had a sixth sense. If she left a message at a quarter of eleven, she'd figure he was jacking off, blowing jizz into the sheets her mom had bought them for their anniversary. The old hag.

Matt snatched up the phone and feigned sleepiness and surprise to cover for being out of breath. Cum dribbled from his flagging pole, and he grabbed the corner of the expensive sheets to wipe off his prick. Using his mother-in- law's gift as a Kleenex made him smile.

"Hey, babe, did I wake you up?"

Patty, just as he had known it would be.

"Ehhh, barely. I just called it a night," he lied. "What's up?"

"I was getting ready for bed. Just put on my jammies. Y'know, the pink ones with the little tigers on them?"

He knew. They were her favorites. She wore them without underwear because they were so comfy.

"Bummer, wish you were here wearing them," he said. He sure as hell didn't wish he was there. Not with her mother in the same county.

"I was wondering," Patty cooed. "Were you thinking about me?"

"Actually," Matt said, glad for a chance to be honest. He wiped a smear of spooge off his hand. "I was."

"Thinking about what, exactly?"

"Thinking about spreading your legs and burying my tongue in that sweet pussy of yours. Thinking of hearing you moan. Thinking of how good your pussy tastes."

On the other end, Patty sighed. Matt knew what was going on. Patty had been gone nearly a week, and she was horny as hell. He pictured her hand slipping into the PJ bottoms,

starting to probe her damp box, slipping in one finger, then two. That's how she liked it. Two fingers.

"And playing with my boobs?" she said. "Pinching my big, brown nipples? Making them hard?"

"Your nipples are already hard," Matt assured her, hearing Patty shifting in bed through the receiver. "They got hard when I spent the last 10 minutes sucking them."

Matt felt himself starting to stir. A little phone sex before he rolled up the sheets and put on new ones sounded good. And he wouldn't have to lie to Patty about anything.

He stroked his cock, slowly, then faster to keep up with Patty's pending orgasm, then turned over and blew another load into the sheets. Twice in less than a half hour, he thought. Not bad for an old guy.

Early the next morning, Matt woke up feeling good, although a little guilty. He wondered if Patty knew that he fantasized about her having huge tits. Did she know just how intense his big-boob fetish had grown? He hoped not. But the more he thought about it, how could she not know? He had a collection of big-tit videos that he couldn't hide from her. And he only read big-tit magazines like *SCORE* and *Voluptuous*. Flat-chested teenage girls definitely weren't for him.

Not that Patty was flat-chested. Not by a longshot. She had nice, full C-cups. They had a little bounce in them when she peeled off her bra, and the way they jiggled when he banged her made him excited. But when he titfucked her, when he stood behind her and bent her over and gave it to her in the ass and his hands grabbed a hold of them, something was missing. There was no denying it.

They were good boobs. In a bathing suit at the beach, Patty turned heads. But if she were a double-D or bigger, then he wouldn't think about it so much. Last night, he'd watched a DVD featuring H-cuppers getting fucked, double-teamed, giving blow jobs to guys and getting battered with cum like Col. Sanders battered fried chicken. It made him gulp to think about Patty with melons like that.

Knowing he'd be late for work if he didn't get his mind off of tits, Matt finished dressing, threw his briefcase into his car and headed off. His cock was still angry at him when he got to the office. He'd been getting another erection just before leaving, and not taking care of it meant that the little head would grumble about it to the big head all day long. There was nothing he could do about it now, though.

The truth was, he missed Patty, big tits or no big tits. He needed to fuck a real pussy, not just make a mess of his sheets. But when was she coming back? It had been a week already. And last night, Patty had mentioned missing Valentine's Day. That hadn't been in the plan originally, open-ended ticket or not. When he called her later on, maybe he'd ask her to cut the trip a little short. They always did something crazy on Valentine's Day, and it usually wound up with a night-long session of greasy, passionate, no-holes-barred sex. How could she stand him up on Valentine's Day? No question, he decided. At lunchtime, he'd try to convince her to come home early. Maybe he'd mention how good Veronica, the office temp, was looking.

Then again, maybe that wasn't such a good idea. Patty had met Veronica when she had picked up Matt when his car was in the shop. If he joked about Veronica, Patty might not take so kindly to it. After all, Veronica was 22 with raven-black hair that hung to her waist, and she had "tits out to here," as Patty had described her to one of their neighbors, holding her hands out about two feet. Veronica wasn't exactly freakish, but she cleared any variant of D-cup bra by a wide margin. By any definition, she was stacked, the kind of girl other girls made fun of but were secretly jealous of.

Matt found himself staring Veronica's way, taking in her profile, her massive knockers casting shade over a good portion of her desk. *Just how big are Veronica's tits?* Matt wondered. He and some of the guys had debated that one night at the local gin mill. Matt was the group's leading breast man–he'd lent enough of his DVD collection out to them to qualify as a video store–and he thought Veronica was an H-cup. Gary wasn't sure she was a full H, but he would have gone with EE without blinking an eye.

E, H, whatever, thought Matt, holding a sheet of paper and using it as cover so he could stare at Veronica's whoppers. What would it be like to pound his cock in between those puppies? How

CUPID'S ARROW MISSED ANNA JOTA. FUCK LOVE. SHE JUST LOVES TO FUCK.

Happy Valentine's Day, *SCORE* Men. Wouldn't you love to celebrate Cupid's birthday on the 14th of February by making sweet, cuddly, romantic love to Polish E-cupper Anna Jota? Or do you just want to rip her top off and fuck her tits as hard as you can? Yeah, we thought so. And guess what? "I'm not really the romantic type," Anna said. "I don't need chocolates and flowers. I need a man."

Anna can't hide her sexuality, and she doesn't try to. "She has a great combination of innocence and of being a sexual animal," wrote one reader. Another said, "She has a gleam in her eyes that suggests a big sexual appetite." Anna once told us that she likes kinky sex, and she also likes anal sex. What *doesn't* she like? "Men who cum too fast," she said. "Men who handle my tits like they're not attached to me. Men who are afraid to approach me because of my big chest."

"A man once said to me that he wanted to sweep me off my feet and take me to a faraway land where he'd make love to me all day and night and treat me like a princess," Anna said. "He thought I'd be impressed. I grabbed his crotch, rubbed my breasts against him and said, 'How about just ripping my clothes off right here and treating me like a whore?'" An offer no man could possibly refuse.

On the Town with Vixen LaMoore

The real-life adventures of a FFF-cup *SCORE* Girl

"Some people like cars, some like computers and tech stuff, and others like sports. I love showing off my big tits in public!" said FFF-cup *SCORE* Girl Vixen LaMoore, who is, in every way, the big-tits-in-tight-tops fantasy come true. "All my clothes have got to be tight, tight, tight, the tops must be low-cut and my skirts have got to be cut all the way up to my pussy. I like to promote that really big boobs are beautiful, and they should be out there where people can see 'em." In these photos, shot exclusively for *SCORE*, Vixen backs up her words with action. It's our most amazing "On the Town" ever.

"I've been told I have a body that can stop traffic!"

"That 'One Way' sign should be pointing down at my cleavage!"

"Whenever I'm in Vegas, I like to dress a little classy. Ain't I just a dame?!"

"This is the right way for a girl to eat a hot dog. Ooops!"

"This T-shirt wasn't torn until I tried to stretch it around my big tits!"

"Look at me! I'm a tigress in a tight dress!"

"I think number two should say, 'Pull cock out and stick it right here!'"

"This is the kind of thing girls wore in the 1920s, but with a bra, of course!"

"Wearing funky clothing is lots of fun!"

"This is conservative for me, but there's still no hiding my tits!"

"I'm not being rude. What I mean is, 'I want to fuck you!'"

Imagine walking down the street and seeing Vixen coming your way in that white top (above) with her nipples poking right through the fabric. Or having a next-door-neighbor like Vixen who does her handyman chores around the house wearing cleavage-revealing tops. The world would be a much more beautiful–and cock-hardening–place if all busty women dressed like this. "Showing off my huge hooters is who I am," Vixen said. "I've wanted really big knockers my whole life, and now I'm living my dream. You bet I'm gonna show 'em off! I never cover up with baggy clothes. Big, full, heavy tits are the most beautiful, sexiest thing there is. What's to hide?"

"See why all the men in the neighborhood love me?"

"I always try to look sexy, even when I'm working around the house."

Sometimes just a simple, tight white top will do."

"How many busty babes does it take to change a light bulb?"

"I always watch my figure, but I love eating at all those buffets in Las Vegas."

"I'm a big fan of fast cars. Well-built cars and well-built girls make the world go 'round!"

"Riding a Harley in Daytona Beach. I'm a biker chick!"

"In front of the Tower of Terror at Disney MGM Studios in Orlando."

Hot dam, look at those photos of Vixen taken at Hoover Dam! Dam, is she fine! Dam, can she ever fill out a tight top! Dam, when are we ever gonna stop with these stupid "Dam" puns? "I think I gave new meaning to the term 'national historical monument' when I was at Hoover Dam," said Vixen, who can be reached at VixenLamoore.com or by writing to Vixen LaMoore, Forgotten Castle, Blocksburg, California 95514. "People were paying more attention to the way I was built than to the way the dam was built!" Because, let's face it: hydropower is interesting. But Vixen is hypnotic!

"For some reason, the tourists at Hoover Dam were all looking at me!"

LAURA FAIRCHILD LOOKS GREAT FROM ANY ANGLE. BUT THE VIEW FROM BELOW MIGHT BE OUR FAVORITE.

We are pleased to report that Laura Fairchild, the DD-cup English lass who made her debut in the July '06 issue, has decided not to quit school and take up modeling full-time. We're also pleased to report that Laura sees no reason why she can't go to school *and* model for *SCORE*. And we're proud to report that Laura plans on using her fees from modeling to pay for her education. "It's important for a girl to have beauty and brains," said Laura, who has plenty of both.

Obviously, Laura is the kind of girl *SCORE* Men can not only look up to but also enjoy looking up to. Laura's first *SCORE* pictorial was a meat-and-potatoes shoot that introduced us to her body. These photos present her from a different angle. "It was odd when the photographer was on the floor and shooting up at me," Laura said. "I said to him, 'What on Earth are you doing down there?' and he said, 'Don't worry. The guys will love it.' I'm not used to having a man on his hands and knees!" Well, maybe she should get used to it. She's a goddess!

THE DIARY OF A FEATURE DANCER

BY CRYSTAL GUNNS

The life of a feature dancer isn't always so glamorous. This month, I went to two clubs that show you just how different my experiences can be.

JEZEBEL'S, WICHITA, KANSAS

This club was great. The managers, girls and the staff treated me great. It was a small club, but the stage was big, and the club was packed all the time. Also, my bar tab was free! Usually when the features want a drink, we have to start a tab and pay for it, but not this time!

There were some rules the dancers had to follow because the vice squad comes into the club a lot. You couldn't have any contact with a customer. If you were on stage, the customer had to be three feet from you. Also, when I took pictures on the floor of the club, all of my clothes had to stay on. The hardest rule to follow was that I had to be covered up when I walked the floor. I couldn't even wear anything see-through.

But the managers were so cool to me, and I broke some of the rules! On Friday night, for example, I slapped my tits in the customers' faces while I was on stage. Also, they let me take nude Polaroids with the guys when I got off stage. But around midnight for my last show, two guys from vice showed up while I was on stage, and the manager told me to keep my show clean.

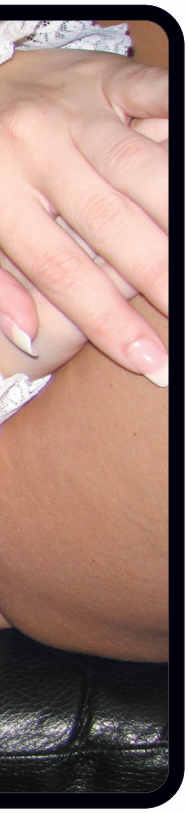
It turned out that the reason they came in was to see if I had a dancing license to work in Kansas. Thank God I did because the club gets a $5,000 fine for each girl who doesn't have one. The second I had gotten off the plane, the people from the club had taken me straight to the courthouse for a license. At the courthouse, they took my fingerprints and mug shot. I guess they check to see if any of the dancers have a criminal background. I think it's just a way for the government to make more money.

Anyway, as soon as I was finished with my show, I got off stage, got dressed and went on the floor to sell my stuff. I even passed by the people from vice and and asked them if my show was okay! They said it was fine, and one of them turned out to be a *SCORE* fan, so I asked him if he wanted a signed magazine. He told me he couldn't because he'd get fired. He said that even when he's off duty, he can't hang out in a strip club. Well, isn't that some shit? But I have to say, the people from vice were very nice to me. I guess it didn't hurt that I have big tits and one of the guys liked big tits!

I had a blast buying fireworks in South Carolina!

I had a lot of people waiting for my Polaroids, but I couldn't do them until vice left, so I went up to the two guys and asked if it was okay for me to do topless pictures with the customers. They told me to wait because they were leaving in a couple of minutes. I thought that was very nice of them.

Saturday was my best night at Jezebels. They let me get a little freaky on stage. I brought up my baby pool and picked out four girls, and we had a fivesome. I also brought these big sponges on stage and let the customers wash us off. The guys went crazy! They had never seen anything like that!



I don't really think Kansas was ready for me. Whenever the bouncer took me tanning or out to get something to eat, people would stare at me and make comments. When I went to Wal-Mart, I was picking out eyelashes, and a woman asked me how I use them because she'd tried them before and couldn't get them on. I told her I used them all the time and was used to them. She asked me where I was from because she could tell that I wasn't from New York. She asked me why I was in Kansas, and I didn't respond. Well, then she said, "You're the girl who's in the newspaper. The porn star!" I hesitated and said, "Yes, I am."

Well, she had three kids with her, and they were listening to the whole thing. She told me that people around there frowned on strippers, but she thought I was nice anyway. She also told me that a lot of people knew who I was and were talking about me and that I shouldn't take that to heart. I told her, "Thank you." But going around town all week, I don't think I was liked very much. Oh, well. I tell myself that I'm different, and I accept that, and I know that everywhere I go, people are not going to accept me. I think I learned a good lesson coming to a small town. It doesn't matter what people say as long as you're happy with yourself.

And speaking of being happy, well, after a great time in Kansas, my next stop wasn't so wonderful.

THEE PLAYHOUSE HICKORY, NORTH CAROLINA

I drove from my house in New Jersey to Hickory, and it took eight hours. I learned a lot on this trip. The first thing I learned was how to pump gas. Yes, it's true! I'm spoiled, and in New Jersey, it is illegal to pump gas. All of the gas stations are full-service.

So when I pulled into the service area, I waited in my car for five minutes. When no one came to my car, I got out and asked the guy at the cashier where I could find someone to pump my gas. He said that it was self-service.

Well, I felt stupid, so I asked a guy who was pumping his gas to show me how to do it, and he did. So now I was excited because I knew how to pump gas, but let me tell you, it sucks. My hands ended up smelling like gas!

The next thing I learned is that driving from daylight into nighttime sucks. Your eyes play tricks on you, and the deer run into the middle of the highway without looking!

I recently learned something new: how to pump gas!

I finally arrived at my hotel in Hickory at five in the morning, only to find out that they didn't have me down for arrival until noon. Well, I wasn't going to stay in my car for seven hours, so I gave them a credit card to pay for the room. I figured that when I went to the club, they'd pay me back. Well, I thought wrong.

Anyway, I checked into my room, took a shower and went to sleep. I woke up at one o'clock in the afternoon and called the club. The manager gave me directions, and I met him there at four o'clock. When I got there, he told me the owner wouldn't pay me back for the extra day because he was tired of the feature dancers not getting their schedules straight. Meanwhile, they knew I would be getting in at five a.m.

At that point, I knew it was going to be a fucked-up three days. I called my agent, and he was pissed. He called the owner of the club, and they had a huge argument. But my agent didn't want to tell him to go fuck himself because he didn't want me to have an uncomfortable week. I told my agent not to worry about it; the room was only $75.

I have to admit that the club was beautiful and big, but that was the only good thing about it, other than the fact that it was just 45 miles from South Carolina, and I got to go down there to buy some fireworks for some friends.

The first day, I got to the club and ordered a drink. I had to pay full price, and I even had to pay for my water. Then came the rules. Rules that I never knew existed:

1. When my top came off, I couldn't touch my breasts at all, not even squeeze them.

2. I couldn't put on lotion, do a water show or put a cup between my boobs to play booby ball because that was a sign of prostitution.

3. I couldn't put my hand near my pussy or asshole.

4. If I broke any rule, I'd be fined.

So I asked the manager what I was supposed to do on stage. He told me to just dance but not touch any part of my body. This was the biggest challenge of my career!

Nice T-shirt, but I don't know who those measurements belong to. Definitely not me!

This place was a joke. I couldn't have any contact with the customers. The club was dead. I made hardly any money in tips. I had maybe 10 fans come to see me. I asked the girls if it was always like this, and they said it was. Some girls said they made only 30 or 50 dollars a night. After every show, I went onto the floor to sell my merchandise, and I was lucky if five people bought a Polaroid.

Well, Saturday night came, thank God, and I was so ready to go home and pissed off at the club that I decided to break the rules. I did my cop show, and the first song I danced to was "Breaking the Law" by Judas Priest. I broke every rule. While my costume was on, I took my tits and beat some guy's face in. I also touched my tits and all my private areas. I did a lotion show in which I rubbed lotion all over my tits. At this point, I didn't give a fuck.

After my show, the manager came up to me and said, "Nice show," but I could tell he was angry. Then he told me that the owner offered to buy my drinks for the night. I guess he was trying to make up for the night I had to pay at the hotel. I told him, "Thanks but no thanks."

At the end of the night, I went into the office to get paid, and the manager told me, "We love you. We'd love to have you back." He was begging me. I told him to tell the owner to go fuck himself, and even if they offered me a million dollars, I wouldn't come back.

As I was walking out the door, the manager was still asking me to come back, but I just got into my truck, slammed the door and drove back to the hotel. I packed my bags, took a shower and went downstairs to pay for the night the club didn't want to pay for. As I was giving the lady my money, she told me that the girl who checked me in the first morning hadn't charged me because I did not get in until five a.m. So I guess there still are nice people out there. Then I got into my truck and got ready for the eight-hour drive home to New Jersey.

So there you have it: two clubs, two totally different experiences. See you next time!

The Dancer Next Door

Jayna James

HER GOAL IN LIFE IS TO MAKE OUR NUTS AS DRY AS A BAG OF PLANTERS. SQUEEZE, BABY, SQUEEZE!

"I like giving guys lap dances that make them cum in their pants," said Jayna James, the "Dancer Next Door" from Toronto, Canada. "I've had guys say to me, 'Don't make me cum in my pants. I don't want to make a mess,' but that only challenges me to squeeze every ounce of cum out of their balls. And I don't even have to take their pants off. I just grind."

Jayna is an exotic dancer who likes to shove her DD-cup tits in customers' faces and spread her pussy on-stage. She's a porn star who deep-throats huge cocks and takes messy loads all over her face. When there's no cock around, she's a very nice girl. But when there's a hard cock available, she turns wild. "I'm definitely not the kind of girl you'd bring home to momma," she said. "But I'm a great fuck!"

EVEN BEFORE SHE TOOK OFF HER CLOTHES, SHE KNEW SOMETHING SPECIAL WAS HAPPENING.

For a girl like Kelly Kay, who's making her seventh appearance in *SCORE*, the question always is, "What can you show us that you haven't shown us before?" Some models answer that question by fucking. Others answer it by sticking dildos where they haven't been stuck before. And some models answer it by showing themselves at their very best, better than we've ever seen them. That's Kelly, right here.

Kelly has big, beautiful, F-cup tits, but on this day, she said, they were probably more like G-cups." It is, indeed, a fact of natural tits that on some days they're bigger than others, and although Kelly says these pictures weren't taken on her "time of the month," they *were* taken on a warm, humid day in London. "I've noticed my boobs are bigger when it's humid out or when it rains," she revealed.

Astonishing, isn't it, how a great *SCORE* Girl can look even better? And hold your breath before you turn the page because the next spread contains one of Kelly's finest photos ever. "As a model, you're always worried about whether you look your best," Kelly said. "But today, I was confident. I knew I could turn heads. And that made me feel good."

LOOKING UP AT JULIA MILES

Dear *SCORE*,

I fell in love with Julia Miles in the November '06 issue. Her pictures were amazing. The views taken from under her skirt were just fabulous. Those pictures are on my wall. Seeing her underwear gets me excited.

I enjoyed seeing her lovely body totally naked, too. Her pussy looks so sweet to lick. You guys should do more pictures like these with this angle.–L.G., Sherman Oaks, California

HORSEMEN CAN BE HEADLESS, BUT NOT BIG-TITTED MODELS

Dear *SCORE*,

Please stop printing the "headless" shots in which you don't show the model's face. In almost every issue, the best frontal poses are spoiled by having the face cropped from the photo. For example, in the October '06 issue, page 53 (lower half of the page) and page 95 (top half). These are the best poses, and you ruined them by not including the models' faces. These would have been perfect if printed full-page with the faces.

That's Julia Miles up there. We envy the photographer who had this amazing view.

CRYSTAL: SHE'S GOT ASS, TOO!

Dear *SCORE*,

I'm writing to tell you just how hot Crystal Gunns is. But up until now, I was sleepin' on her ass. I had forgotten that she has Puerto Rican and Italian blood in her, so it's only right that she's been blessed with ass.

She blew me away in the *Private Stuffers* DVD. I love how hot, horny and nasty she can be. The way she kept sticking out her tongue and licking her sexy lips was off the hook!

KICK OFF YOUR SHOES, GIRLS...

Dear *SCORE*,

I hope you get a kickback from the shoe manufacturers because every friggin' pictorial has the women wearing shoes. Shoes are not sexy when the models are lying down with their legs in the air or in a doggie-style pose. I will grant you that shoes make the models' legs look good when they are standing.

Look at Jaden's pictorial in the February '05 issue. Excellent! I am not a foot fetishist, but I have never gotten into the cliche of a girl being half-dressed and wearing pumps or Reeboks. I know they sometimes hide ugly feet, but it's still a cliche. And that is the crux of the whole thing: cliche, cliche, cliche! You have become so packaged and glossy that you have lost sight of the gritty realism that can be such a turn-on! I shudder to think of what you guys would do to Roberta Pedon or Mary Waters.

I saw Ava Lustra's pictorial in that same issue. She is a *Leg Sex* model famous for her legs and bare feet, and, of course, she has on those same clear pumps that everyone else does.

Turn down the key lighting. Don't cake so much friggin' make-up on these girls. Pose them in natural settings, like Jaden lounging around in bed or just waking up or getting out of the shower. Things like that.

Of course, if you do that, you'll be wasting some of the tons of cash that you have poured into all those sets. You won't be using your make-up people so much, and worst of all, all those tons of shoes you bought will go to waste! –M.G., via email

...AND PUT ON SOME STOCKINGS

Dear *SCORE*,

What can I say about the October '06 Heather Hooters pictorial? The phrase "absolute perfection" springs to mind. What a gal! Great tits, dangerous curves and those sexy legs wrapped in black stockings. No red-blooded male could ask for more. This was a refreshing reminder of her prowess as a sex goddess. I say more, more, more women in sexy stockings.–G.H., via email

ISLAND GIRL

WE WEREN'T LOOKING, BUT WE FOUND ELENA. HOW COULD WE HAVE EVER BEEN SO LUCKY?

The story of how we discovered Elena–working as a maid at our hotel in the Dominican Republic while we were preparing to shoot the DVD *Busty Island Girls*–has become *SCORE* legend. It is proof that sometimes, *SCORE* Girls can be found in the most unexpected places. Some of the most beautiful places, too. And yet Elena, a naturally slim-n-stacked, mocha-skinned beauty, overshadows her surroundings.

The Dominican Republic shares an island with Haiti (the D.R. is in the eastern part of the island), yet it has not been ravaged by the political havoc that has racked Haiti over the past several decades. With its beautiful scenery and peaceful environment, the D.R. countryside was the perfect place to photograph Elena (or Eli, as her friends call her), who had never even thought about posing nude before we met her. “It was a lot of fun,” she said. “I think it is my new hobby!”

Elena's hobbies are cooking, dancing, watching TV and sleeping. If you ran into her in her hometown of Boca Chica, she'd probably be wearing cut-off shorts and a white T-shirt with no bra. Her nipples would be poking through, because there's just no stopping those babies. And she'd be surrounded by men. "Men like me, and I like men," she said, laughing. And that's all good!

PERFECT GIFT

Continued from page 38

much of those incredibly large cans could he hold in his hand.

A sharp double-tap sounded on his desk. For a split-second, he thought it was his erection stabbing into the underside of his work station. His pants felt four sizes too tight.

"Earth to Matt, you there?"

Greg, bringing him back to reality.

"You that obsessed with the P&L statement, dude?"

Matt dropped the paper. At her desk, Veronica was opening up her filing cabinet and leaning over to reach into it. Matt's eyes caught a glimpse into the valley between her breasts. He could see all the way to her belly-button.

Greg filled in Matt on some various work issues, and Matt spent most of the morning alternating between working and trying to keep from cumming in his trousers. Veronica had taken off her business jacket around eleven o'clock, and her white blouse, professional as it was, didn't conceal her bra beneath it. The bra cups were the size of dessert plates. Around 11:30, it must have gotten a little chilly in the building because Veronica's nipples stood out like she was sitting on a vibrator set on HIGH. Veronica put her business jacket back on again around noon, and then disappeared a half hour later for lunch. *Thankfully*, Matt thought. He had had an on-and-off hard-on for nearly three hours.

Calling Patty took care of his hard-on in a heartbeat. It was bad enough that Grace, Patty's mother answered, worse that she told Matt that Patty wasn't home. That sounded off to Matt. Patty had told him she would be with her mother all day, and clearly her mother was home, and Patty wasn't with her.

"Nope, she went out," Grace harrumphed, not offering to take a message before hanging up. Matt tried Patty's cell phone but got voice mail.

Had Patty lied to him? Sure looked like it. Sitting at his desk, his cock at rest, something else started to bother him, but in his gut, not his crotch. Could Patty be having an affair? At first he didn't think so, but the more he wrapped his head around the facts–the sudden trip, the open-ended ticket, skipping Valentine's Day, and now, lying about being with her mother all day–Matt's heart dropped. The phone sex the previous night. Patty

had sounded worked up the minute he'd picked up the phone. Could she have still been horny after a secret encounter? Patty was horny a lot after they fucked. A little bit afterward, she would get him to finger her or use a toy on her or sometimes even screw her quickly before she was finally satisfied. Having phone sex with him right after fucking another guy. Could she possibly stoop so low? He shuddered at the thought.

Matt's head was spinning by the time he realized that while he had been considering all of these things, he'd begun looking over at Veronica. She was sitting back, finishing off her lunch hour with a magazine and a cup of vanilla yogurt. Matt hadn't realized it, but his left hand was underneath his desk, resting on his growing bulge.

Bulge? That caught him off guard. He had been thinking about the possibility of Patty sleeping with another guy, but seeing Veronica slurp creamy, white yogurt off her spoon while reading *Cosmo* had taken his mind elsewhere. Veronica closed her lips around the spoon. A trace of creamy yogurt sat on her bottom lip. When she licked it off, Matt spun his chair around and sauntered off to the men's room. Finding it empty, he quickly took up a stall and lifted the toilet lid.

His pants were down in a flash. Then his hand, glistening with a dollop of soft soap and a sprinkle of water from the sink, began polishing his knob. He imagined Veronica pulling open that white blouse, her huge breasts straining against the cotton bra panels. Then Veronica, the dribble of yogurt still on her lips, dropping to her knees as she undid the heavy-duty bra clasps and those magnificent mammaries spilling out into his hands, his thumbs teasing the hard, rosy nipples, making them flush the more excited she got. Then Veronica yanking down his boxers, engulfing his dick between those sexy lips of hers. Veronica had the slightest overbite, which made her look even younger and more innocent than she was, and the combination of that innocent 22-year-old's mouth working his shaft deeper and deeper into her throat and her pendulous knockers swinging free got Matt's blood pumping.

He short-stroked his member, the soapy dampness in his palm making his clandestine jack-off session virtually silent. There was nobody in the john with him as he thought about Veronica play-

ing with her tits, taking him out of her mouth, saliva dangling off the tip of his penis, the stringy spittle trailing across her chin and down onto her left boob. Veronica stroking him now, stroking him faster and faster as she lifted her right breast with her free hand, bringing her nipple to her lips and sucking it.

Matt shot his load against the inside of the toilet lid, unable to angle his cock down enough to hit the water. Semen sprayed the plastic lid, three copious spurts of it. The rest Matt caught in a handful of toilet paper quickly torn from the roll. He closed his eyes. The image he held was of Veronica, her mouth open, his cum shooting into it, off her upper lip, strands oozing off her chin as she struggled to keep up with the furious eruption of sperm.

Matt finished up, washed his hands twice, then splashed cold water on his face. The weekend, he decided. If he didn't have some answers by the weekend, maybe he'd see about buying Veronica a drink, see where that led. Maybe find out what tit-fucking a girl with truly gigantic hammers felt like.

But the weekend came and went with no confirmation or clarification. Patty told him she'd be home the following Friday. Veronica was off on Monday and Tuesday, though, out with a bug. A chest cold, he figured. A massive one. By the time she had stopped blowing her nose at her desk, it was Friday morning, and Patty was due home in the afternoon. Matt grabbed his briefcase 15 minutes early and took one long, last look at Veronica, whose tits were stretching out a cashmere sweater, and headed home.

Dinnertime came and went. Still no Patty. Matt thought about calling her on the cell, confronting her on the phone rather than in person, but held off. Instead, he lay the Valentine's Day gifts he had gotten the week before on the kitchen table and waited. He was watching a soft-core lesbo flick on Showtime when he heard the back door open. Grim faced, he got up and headed to the kitchen and found her waiting for him.

"So much for dinner," Matt groused. "You were supposed to…"

She interrupted him. Interrupted him without saying a word. Matt saw that she was wearing a full-length trench coat. *His* raincoat. Only it wasn't raining outside. Matt noticed the big grin on

SHOWGIRL

SHE'S A PORN STAR, BUT TO US, KAYLA WILL ALWAYS BE A BUSTY GLAMOUR GIRL.

"To be in porn and do it right, you must have a love for travel, a lust for sex and the enjoyment of being a professional exhibitionist," said Kayla Kleevage, who obviously does it right. She's been baring her giant tits for us since 1992, making her an original *SCORE* Girl, and fucking and sucking with obvious enthusiasm in videos such as *SCORE Xtra #8* and *SCORE Xtra #5*. Here, we see her as what she is at heart: a big, blonde, glamourous showgirl with a huge rack.

Even if she didn't fuck–even if she didn't take it up the ass like no other super-stacked babe we've ever seen–Kayla would be special. "I guess people associate boobs with femininity," she said. "I mean, they are fun to look at, they're nice and they feel good. I'm a woman, and I think so. Boobs are cute. I think a woman's body wouldn't look right without boobs. If a woman had a bare, regular chest with nothing there, what fun would that be? There'd just be half the fun, not even. I can't picture a woman built any other way."

Kayla's favorite sex position is doggie-style, and if you're fucking her ass and decide to pop your cock into her asshole, that's okay, too. But don't forget her tits! *Never* forget her tits! "Cum all over them!" she said. "Fuck my pussy or fuck my ass, but make sure you save your hot, sticky load for my tits. It makes me feel good to see cum on my tits. It makes me feel special. Don't I deserve that?"

Patty's face and the red leather boots she was wearing. They had three-inch spike heels, were as shiny as a mirror and disappeared beneath the coat. The garment hung open a little below the waist, where Patty had used only the belt to cinch it closed. Matt thought he'd caught a flash of bare thigh, but that couldn't be. If it were bare skin, it meant that Patty was either wearing the shortest micro-skirt ever manufactured or no skirt at all. And even then, he couldn't quite grasp why the top of the coat hung open so much. What was Patty hiding under there, a bulletproof vest?

"Happy Valentine's Day, babe," Patty cooed. Then she yanked loose the flimsy belt, and the trench coat fell open.

"Holy shit!" Matt gasped.

The lingerie he had bought Patty for Valentine's Day would never fit her. Not now. Matt gulped in astonishment, wondering if the skimpy top he had bought Patty would cover even one of her breasts, much less both. No way both.

"How do you like them?" his wife asked in a low voice, stepping closer. She put her hands beneath her tits and gave them each a squeeze. "I wanted to give them a little boost."

A little boost? Patty's boobs were enormous! Matt's mouth hung open. It was truly a pinch-yourself-to-see-if-you're-dreaming moment. The trench coat slipped off Patty's shoulders and dropped to the floor. Patty was left standing in the red leather thigh-highs, a pair of red, thong panties that sparkled with glitter and an exotic dancer's bikini-style top that could have been identified more accurately as dental floss, but only for somebody with precious few teeth.

"Oh my God," Matt finally said. "They're…they're…"

"Lonely," Patty purred.

She grabbed Matt's hands and put them under her hooters. Matt hefted them, not believing their weight and firmness. Patty's silver-dollar areolae peeked out from beneath the edges of two red triangle panels that formed the front of her "bra." There was a time when her areolae weren't a lot smaller than her tits, but now, they were overwhelmed by her tit flesh.

"Suck 'em, babe," Patty demanded. "I've been waiting for a week for you to taste them."

Matt didn't bother being subtle. He grabbed the strand of cloth between the triangles of Patty's bra and yanked it off. The flimsy material fell away from Patty's brand-new cannons. Matt had a nipple in his mouth before the ruined cloth even hit the floor.

"You like my new titties, babe?" Patty said. "I got them just for you, but seeing them when I stand in front of the mirror and finger myself, I'm liking them for me, too!"

Matt was working her panties down, right over Patty's boots. His cock was dancing in his shorts, begging to be freed. He could smell Patty's damp patch already secreting moisture as his tongue split her pink partition. Patty sighed, grabbed handfuls of his hair and rolled her hips like a stripper while he ate her out. Matt dug his fingers into her buttocks, looking up at the undersides of her bountiful melons. When Patty came, thrashing against his face, he scooped her up in his arms, swept a wicker bowl of fruit off the kitchen table and lay Patty down across it while he frantically pulled off his clothes.

Patty didn't help him. Instead, she lay on her back and sucked her fingers, using the saliva to wet her nipples and make them glisten underneath the kitchen fluorescents. She lifted her legs and gently poked her stilettos into Matt's thighs. Matt was finishing up with his shirt, unbuttoning the last button and discarding it as Patty slid her feet together, trapping his love muscle between her soft arches.

"Do you plan to put all of that inside my tight, little pussy?" Patty teased, her face mocking fright. "I just don't know if all that cock will fit up there."

Patty pulled open her pussy lips and probed her gateway with her index finger. When she pulled it away, her pussy was wet with cunt oil. Patty pursed her lips and then ran her finger across them, tasting herself.

"But we can definitely try," she said, opening her legs.

Matt climbed on top of the table, plunged his rigid pole into Patty's tight snatch and felt her suck him inside her like a hungry mouth. It took three or four strokes before Patty's twat opened wide enough to allow him to slam his whole prick into her, but when she finally grew accustomed to the girth of his shaft, he was able to drive into her for all he was worth. Patty had spent all that time away recovering from the boob job, Matt now

understood. And a few weeks without fucking usually meant a little reacclimation period. Now that Patty's pussy was being tapped for the first time in nearly two weeks, she was finding the sensation of having her love tunnel plundered excruciatingly pleasurable. This wasn't just sex. It wasn't remotely close to lovemaking. This was down-and-out, good-old-fashioned fucking.

Matt thumped Patty's snatch furiously. Patty clawed his back and dug her teeth into his shoulder with the force of her explosive orgasm. Her ass was slapping against the table, and her hips were thrusting upward to meet his, Patty trying to grind her clit against his groin with every downstroke.

"Oh, fuck, I am gonna cum any minute," Matt wheezed.

Patty's hands pressed against his chest, and her nails got his attention.

"No, not yet!" Patty begged. "Up here, get up here first!"

Patty cupped her tits and parted them, exposing her sweaty cleavage. Matt shuddered at the sight. He had fantasized about this so many times, blown so many loads after Patty had gone out to the mall, watching his big-tit DVDs and imagining, wishing…

Matt extracted his purple prick from Patty's spasming pussy and clambered on top of her, straddling her slim waist. Patty was nodding, encouraging Matt to lay his fleshpipe between her waiting knockers. Matt pressed forward, his cock slick and greasy with Patty's cunt oils. When his prick touched her skin, Patty pressed her gazongas together.

Matt had tit-fucked Patty before, but it had never been anything close to this. The sensation of Patty's new flesh cavern caressing his pole while he fucked it made him grunt like an animal. He had been on the verge of shooting his goo just moments earlier, but the brief backing off to climb on top of Mount Patty gave him the energy to explore her substitute pussy. Patty looked up into Matt's face while he screwed her tits, biting her bottom lip in anticipation. The wait wasn't long. Matt began to quiver as he thrust his meat between Patty's mounds, and she could tell that he was going to cum any second.

"Do it!" Patty urged. "C'mon, babe, cum! I want to see it! I want to watch you. I want to watch you cum all over my big, new tits!"

Matt withdrew and plastered the bottom of Patty's right tit with a blast of hot

man-juice. Patty cried out, and Matt lifted his jerking shaft, stroking out another strand of ball butter. Patty uncrossed her arms and started running her fingers through the jizz puddles, spreading the viscous cream all over her tight skin. Before he had finished emptying his balls, Matt plunged his dick back in between Patty's cans, and she squeezed them tight around his diminishing flagpole. The pressure milked out the last squirt or two of cum, and Matt rolled off Patty and lay next to her on the tabletop.

"Wow," Patty said, almost breathless. "Never even got out of the kitchen."

"Nope," said Matt.

"It still isn't too late. Wanna go try the bedroom?" Patty said.

"Fuck late. I'm not working tomorrow," Matt said, lifting Patty off the table and carrying her to the bedroom.

Maybe call in sick, Monday, while I'm at it, Matt thought. He kicked open the bedroom door and heaved Patty onto the bed. Come to think of it, he had some vacation time coming, too.

He lay Patty on the bed and looked down at her. Her tits were definitely bigger than Veronica's, probably a lot bigger. Big enough to be in *SCORE*, he figured. Big enough to make sure that he never fantasized about Veronica again.

Patty tweaked her nipples, then jiggled her tits. He felt his cock start to stir again, quicker than it ever had before, and saw a grin break out on Patty's face as she pushed her tits together.

"Wanna fuck 'em again?" she said.

He stroked his cock to get it rock-hard, climbed on top of her, placed his meat between her rockets and started fucking them in a slow, steady rhythm. He heard the squishing noise of what must have been Patty working her fingers in and out of her just-fucked cunt, and that made him even harder.

"You know, babe, your pussy might not be getting a lot of attention for a while," he said.

"Says who?" his wife said as she sucked her pussy juices off her fingers.

Matt pushed her tits together around his shaft. He couldn't believe how good they felt so soon after the operation. He never would've believed that his C-cup wife was a big-tit goddess just waiting to bust out.

His balls were filling up again. Patty stuck her tongue out and flicked the head of his cock. This had turned out to be the best Valentine's Day gift of all. The perfect gift.

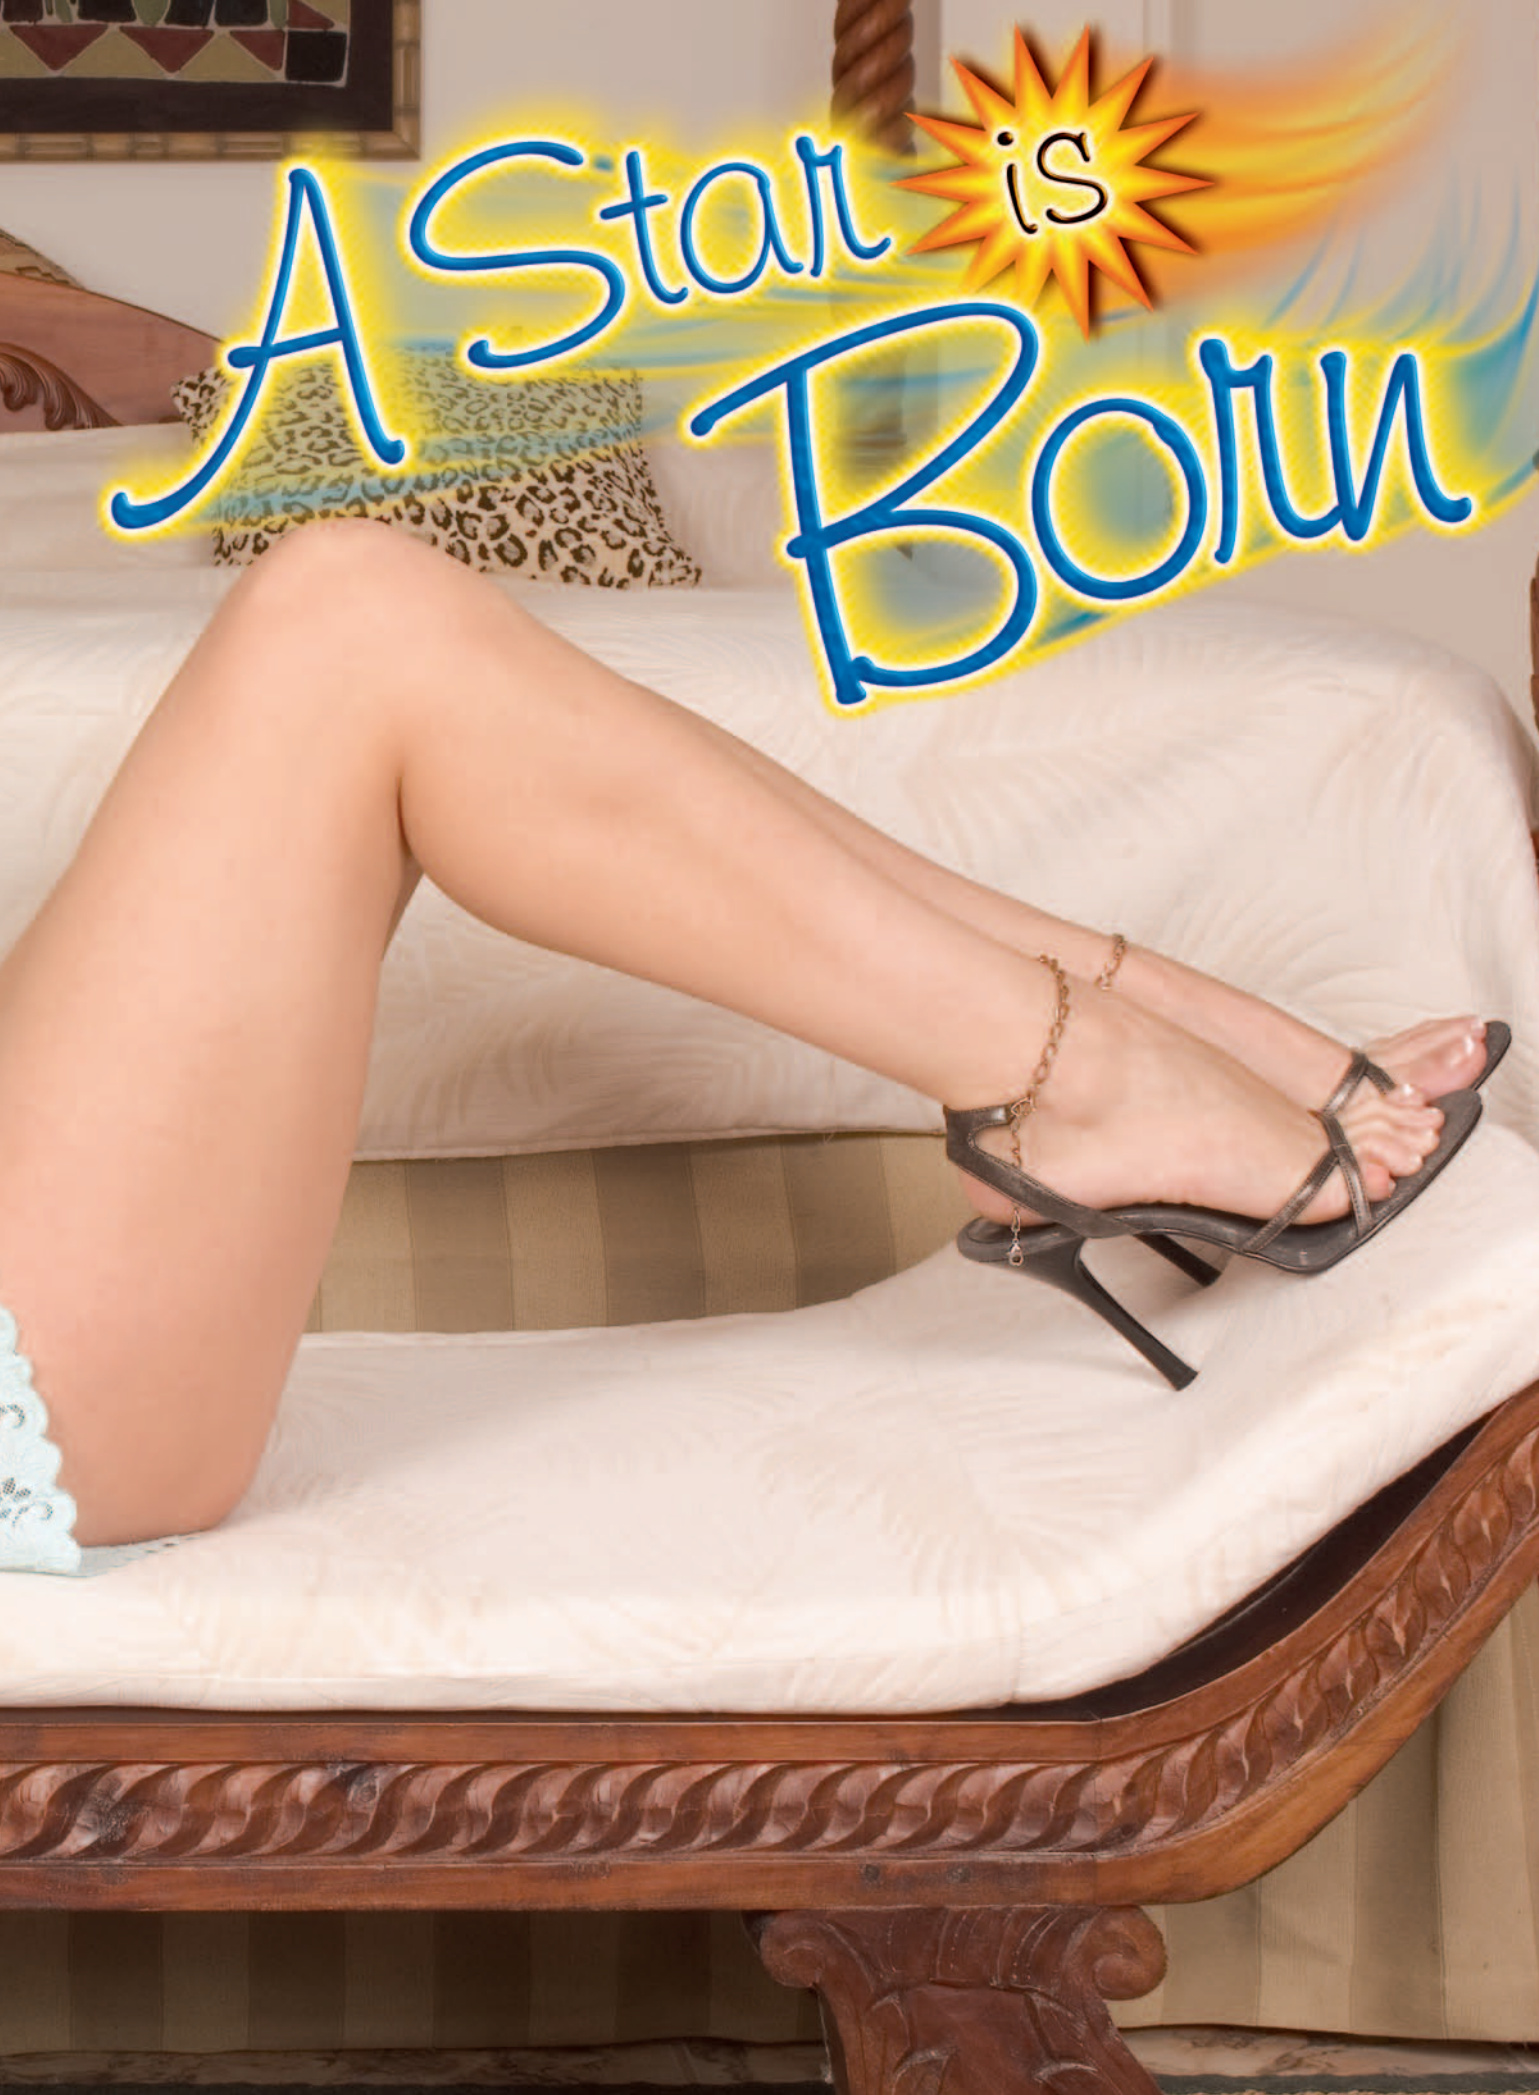
PREPARE TO FALL IN LOVE WITH NATALIE FIORE. SHE HAS THE MAKINGS OF A GREAT ONE.

We opened things up this issue with sensational H-cup newcomer Delotta Brown, and we're winding down in a big way with another spectacular newbie. Her name is Natalie Fiore, she was born and raised in Paris, France (but is of Eastern European descent) and she's carrying around DDD-cup rockets on her 42-27-34 frame. Did we say *winding down? SCORE* Men, if you're anything like us, right now you're jacking up and going wild over this spectacular intro to Natalie. But don't stop now. There's more of her to come!



A Star is Born

Natalie discovered *SCORE* (rather than the other way around). "It was always my dream to be a model," she said. "So when I saw your website, Scoreland, I decided to send you my pictures." The second we saw those photos, we knew Natalie was special, so we flew her to Nassau in the Bahamas for a week of on-location magazine and DVD shoots. This is the first, and it's obvious that Natalie took very naturally to nude modeling.

When Natalie strolls down the Champs Elysees in Paris, heads turn. Few native Parisians are walking around with tits like hers. "Honestly, I have never seen a Parisian girl with breasts as big as mine," Natalie said. "Most of them have little, perky breasts. I have big, perky breasts!" Big, perky breasts made for squeezing and sucking. Men, next issue, we'll announce 2006's Newcomer of the Year. But as of right now, the race for 2007 Newcomer of the Year has heated up. Or, maybe, it just ended.

THE DOCTOR IS IN SUMMER SINN

SEE WHAT HAPPENS WHEN A SUPER-STACKED SCORE GIRL GOES FOR A CHECK-UP FROM THE NECK DOWN.

"I'm here today because I have an awful chest cold," JJ-cup Summer says to her "doctor" in the DVD *Big-Tit P.O.V.* She coughs so the doctor can see the magnitude of her illness, but judging from the magnitude of her chest, Summer looks very healthy to us. "I need you to give me a full chest exam," she says. "Could you start with my heartbeat?" The doctor places his stethoscope near her heart, but then he roams to her left tit, then her right. Hey, Doc, are you for real?

Get the DVD or VHS of *Big-Tit P.O.V.* (available on page 114 of the main mag) and you'll see just how thorough Summer's chest examination is. The doctor even takes her boobie blood pressure. "Pump up my big tits!" Summer says. "You're starting to cure me already." Of course, we're aware from the start of the scene that Summer is faking her illness so she can suck Doc's cock and have his big dick between her tits and in her pussy. If there's one thing we've learned about Summer over the past few years, it's that she's a horny girl. So, she's feeling good as new after she jacks the good doctor's sticky load all over her tits. And the feeling is definitely mutual.

REBECCA LOVE'S SPECIAL LAP DANCE

IT AIN'T JUST THE OLD BUMP AND GRIND. REBECCA WANTS IT HARD AND SHE WANTS IT DEEP!

Stacked, redheaded cutie Rebecca Love is the lap dancer of your dreams. You think she's just going to stuff her tits in your face and grind her cute little ass in your lap, but at The House of Caged Dolls, there's always sex in the champagne room, especially when Rebecca is dancing. She slides down your body, opens up your pants, pulls out your cock and starts giving you the best blow job of your life. Suddenly, you're not worried about whether this is included with the $20 lap dance.

"I'm not charging you for this dance," Rebecca says as she wraps her tits around your pole, then lays back, looks over her shoulder to make sure the bouncer isn't watching and says, "Come here. Fuck me!" You've never had it like this in a titty bar, but then again, you've never had it with Rebecca Love, who doesn't believe in doing anything halfway. You fuck her deep and hard, and then she jacks you off onto her rack. "Thanks for the tip," she says, smiling. "It was my pleasure."
